~ ANNOUNCEMENT 2010 ~

Fruit and Vegetable Industry Scholarships Available in 2010

The Michigan State Horticultural Society and The Michigan Vegetable Council announce the availability of scholarships for students who intend to pursue careers in the Midwest fruit industry or vegetable industry, respectively. The awards are made available by these organizations, with the generous support of industry sponsors. In 2009, scholarship awards totaling \$11,000 were awarded with the support of Gerber Products Company, Michigan Apple Promoters, Valent USA, Wilbur-Ellis Company, MACMA Apple Division, and Agro Fresh, Inc. (SmartFresh™), as well as the support of the following industry publications: *Meister Publications (American Fruit Grower, American Vegetable Grower)*, *The Fruit Growers News*, and *The Vegetable Growers News*.

The target amount per scholarship is \$1,000, but it could be more or less at the discretion of the selection committee. The award is not based on need or academic achievement, however, the selection committee may use these criteria to decide between two or more qualified applicants.
